Our whole school attendance target as set by the Department of Education is 96.7%.

Inf 1 & J4 were the winners of the class attendance awards and well done to the classes in green who met the target.

J4 Class Assembly

On Wednesday morning, J4 parents were invited to attend their class assembly. The children presented learning from their RE topic on the theme of 'Community'. They told us about all the different communities they belong to, why they enjoy them and what positive benefits they get from belonging. They also shared how special their school and parish communities are, especially as Year 4 prepare for receiving the sacrament of Holy Communion later this year. Everyone read and sang beautifully, and performed a little role play to give us a glimpse of their class community too. This was a wonderful insight into the children's learning this term - thank you to the parents who came to support them and share in the assembly. Thank you J4 for giving us the opportunity to reflect and be thankful for the communities we serve and belong to.

School Council Meeting

At the end of last week, I had a breakfast meeting with our school council members. They were very impressive. They had prepared well for the meeting by seeking the views of their class members and had some excellent ideas regarding school improvement, in particular about improvements to the outdoor environment, as well as some positive suggestions for lunchtimes. I will be working with the school council this term to make some of these improvements happen and look forward to sharing the positive impact that they make to our school in the coming weeks. Well done to all our council members!
